Online reservation voucher for one online parking space reservation

This online reservation voucher may only be used for an online parking space reservation at Hamburg Airport for the duration of your booked journey.

How the parking space reservation works:

1. You will find a link to online parking space reservation on the www.hamburg-airport.de website in the Parking & Arrival, Parking section.
2. Enter your required travel period.
3. Next, enter the voucher code above. The online reservation voucher will be taken at the last booking step. It is not possible to combine different online reservation vouchers.
4. All possible parking products for your travel period will be displayed, including parking fees.
5. Choose a parking product.
6. If you are not yet a registered customer, please create a new customer account or use a guest account.
7. Please choose the entrance medium.
8. Select your choice of payment method.
9. Please check your reservation data and then confirm the reservation.
10. You will receive a reservation confirmation with all data included. The reservation confirmation is also available in the overview of booking.
11. Billing of the reservation and parking fees takes place immediately after the reservation is confirmed. Your EC or credit card will be charged au-

tomatically.

12. **Note: Do not take a ticket from the machine when you enter! When you enter the car park, please use your selected entrance medium. For more details please take a look into your reservation confirmation.**

We wish you a pleasant journey from Hamburg!
